Dated : 11.07.2022

To,
The Heads of all SAI Regional Centres

Subject: Operations of Khelo India Accredited Academies through Regional Centres.

Madam / Sir,

As you are aware, Khelo India Accredited Academies (KIAAs) are sports academies, which have been accredited after evaluation process implemented by Khelo India. The KIAAs are eligible to receive funding from Khelo India on the basis of number of KIAs training in such academies (expenditure norms are mentioned in Annexure I).

2. As of today, there are 125 non SAI KIAAs across the country. In order to strengthen the monitoring mechanism and effective implementation, Competent Authority has decided that the concerned SAI Regional Centre shall act as the nodal point of contact for KIAAs. The list of KIAAs to be henceforth administered by Regional Centres is placed at Annexure II. SAI Regional Centres shall look after administrative affairs including but not limited to funds management, monitoring & evaluation, National Sports Repository System (NSRS), digital attendance through facial recognition, utilization Certificate settlement, and any other activity pertaining to KIAAs. Suitable support shall be provided by the SAI Head Office in this regard. This applies to non-SAI accredited academies only.
3. However, the process of accrediting KIAAs shall continue to be done at SAI Head Office.
4. Further, as-is status of KIAAs will be shared with the concerned SAI Regional Centre by SAI H.O. All Regional Centres are strictly advised to release any subsequent funds to KIAAs only once funds previously released have been settled.
5. Accordingly, the broad list of responsibilities related to KIAAs is mentioned hereunder:

Sr. N	Domain	Process	Responsibility
1	Accrediting KIAAs	1. Issuing EOI	SAI Head Office
		2. Applying against EOI issued	Academy
		3. Scrutiny, evaluation, inspection and granting accreditation	SAI Head Office
2	Transfer of KIAA to RCs	1. All KIAAs (including newly accredited) transferred to SAI RCs (As per list-Annexure II)	SAI Head Office
3	KIA Admissions	1. Fresh admissions	SAI Head Office
		2. Transfer Cases	SAI HO through SAI RC
		3. Admissions process is mentioned at Annexure III	----
4	Release of funds	1. Release of funds to Regional Centres	SAI Head Office
		2. Release of funds to KIAAs	SAI Regional Centre

SUBJECT: NORMS FOR EXPENDITURE UNDER KHELO INDIA TALENT DEVELOPMENT & FUNDING TO NATIONAL/REGIONAL/STATE ACADEMIES

In partial modification of the Office Order 3(5)/Sectt./KITD/HPC/2018-19 dated 02.08.2018. The approval of Competent Authority is hereby conveyed for modifications in expenditure norms of Khelo India Talent Development which will be effective from 02.08.2018.

1. AN OVERVIEW OF KHELO INDIA

a) The Khelo India Scheme aims to encourage sports all over the country. It aims at strengthening the sports ecosystem in India by promoting the twin objectives of mass participation and promotion of excellence in sports. Further, the major aim of the program is to help Indian sportspersons to reach the pinnacle of world sports focusing at the initial stage a podium finish at the 2024 and 2028 Olympics.

b) The scheme has 12 verticals including Talent Search & Development & funding to the National/Regional/State academies. The operational guideline of these two verticals is contained in notification No F No 54-1/MYAS/MDS/2017 Dated 26th December. Khelo India Talent Search & Development (KITD) envisages identification of 1,000 athletes (to be called Khelo India Athlete -KIA) every year through measures such as the holding of Khelo India competitions, NSF/SGFI competitions, etc. and by other methodologies for identification of talent. The Government has already formed committees such as TIDC (Talent Identification Development Committee) and TSC (Talent Screening Committee) consisting of eminent sportspersons who are recipient of honors such as Padma Shree awardees, Arjuna Awardees, Dronacharya awardees, senior coaches and representatives of National sports Federations. A High Powered Committee (HPC) has also been constituted to take all policy decisions. Once the athlete is identified as KIA, the funding of Rs 5 lac per athlete per year is available under the vertical "Khelo India Search & Development" vertical. The grant for training, equipment, sports science support will continue till such time as the athlete manifests progress and potential up to maximum of eight years. There will be weeding out every year based on performance bench mark.

c) The identified sports talent will be given the option to join SAI Sports academies, State Sports Academies or Sports academies established by private sector (including sports persons). Grants-in-aid can be provided under the vertical "Funding to National/Regional/State Academies" for establishment, operation and maintenance of sports academies in respect of identified disciplines to these academies.

d) On the basis of recommendation of TIDC, HPC would grant accreditation to the academies provisionally for a period of one year initially. Subsequently, long term agreement would be entered into with accredited academies. The accreditation will be an ongoing process & more and more academies will be accredited to allow KIA to train at nearest location. The gap analysis of the academies would be done & the academies not meeting the bench mark can be de-accredited.

2. The Norms for the funding of residential Khelo India Athlete (KIA) under accredited sports academies.
